ABOUT DARK PRINCE

He came to her in the night, a predator -- strength and power chiseled his features. The seduction was deep and elemental; he affected her soul. His need. His darkness. His terrible haunting loneliness. Her senses aroused, she craved the dangerous force of his body. Burned for him. And he had only touched her with his mind.

She came to him at dawn, his bleakest hour. As the beast raged inside him, threatening to consume him, he vented his centuries-old despair in an anguished cry that filled the waning night. And she answered, a ray of light, piercing his darkness. A beautiful angel. Her compassion, courage, and innocence awakened in him an exquisite longing and tenderness. He knew he must possess her, for only she could tame his savage side and lift the dark shadow from his soul. Apart they were desolate, bereft. Intertwined physically and spiritually, they could heal one another and experience an eternity of nights filled with love.

ABOUT DARK FIRE

So Darius warned her when she accepted a position with his traveling troupe. And gazing mesmerized at the merciless slash of his mouth, the implacable resolve on his face, the soulless emptiness of his black eyes, Tempest was afraid to ask what it was.

She had always been different, apart from others. From the moment his arms closed around her, enveloping her in a sorcerer's spell, Darius seemed to understand her unique gifts. But did his kiss offer the love and belonging she sought, or a danger more potent than his own panthers?

Somewhere deep inside herself, Tempest realized she knew the answer. She had no choice but to accept the velvet stroke of his tongue, submit to the white-hot heat piercing her skin, welcome an erotic pleasure like no other....

ABOUT DARK LEGEND

He woke deep within the ground, and the first sensation he felt was hunger. An overwhelming hunger for blood that demanded satisfaction. But as he hunted the dark streets of Paris for prey, a voice called to him, soothing, calming, giving him the strength to control his craving.

Francesca Del Ponce was a healer, a woman who radiated goodness as powerfully as the sun did light. But surely his obsession with her would turn him as his twin brother had turned, leaving the world with two monsters instead of one.

Though he knew she would be like hot silk in his arms, though he knew the taste of her would be addictive, he feared for her life and his soul if he took her. Then with one mind-shattering vow she gave herself - "I offer freely, without reservation, I offer my life for yours as is my right" - and with a firestorm of long-forgotten feelings, he glimpsed salvation.

ABOUT DARK MELODY

Lead guitarist of the Dark Troubadors, Dayan was renowned for his mesmerizing performances. His melodies stilled crowds, beckoned, seduced, tempted. And always, he called to her. His lover. His lifemate. He called to her to complete him. To give him the emotions that had faded from his existence, leaving him an empty shell of growing darkness. Save me. Come to me.

Corrinne Wentworth stood at the vortex of a gathering storm. Pursued by the same fanatics who'd murdered her husband, she was risking her life by keeping more than one secret. Fragile, delicate, vulnerable, she had an indomitable faith that made her fiery surrender to Dayan all the more powerful. This was the one woman whose loss would destroy him, even as her love promised to heal his soul.

As she battled centuries-old evil in a glittering labyrinth of caverns and crystals, he whispered in her mind, forging an unbreakable bond of trust and need. Only with him can she find the courage to embrace the seductive promise of her... Dark Destiny.

ABOUT DARK CELEBRATION

After centuries as the Prince of the Carpathians Mikhail Dubrinsky fears he can't protect them for long from their greatest threat: the extinction of their species- a fate that has become the wicked prayer of his enemies. To ensure it, they are devising a scheme to slaughter Carpathian females. But even with his own lifemate, Raven, and their daughter, Savannah, vulnerable to the encroaching evil, Mikhail's hope is not lost...

In this desperate season, Carpathians from around the world are gathering to join their strengths, their souls, and their powers to bring light to the darkness. Now for the first time, born from the uninhibited imagination of Christine Feehan, all the inhabitants of Carpathian legend are reunited for a celebration of sensual adventure, undying passion, and astonishing fantasy – one to remember for a thousand lifetimes.

ABOUT DARK POSSESSION

Manolito De La Cruz knew he was dangerously close to turning into a vampire. The last thing he expected after being called back to his Carpathian homeland by Prince Mikhail was to catch the scent of his destined lifemate in MaryAnn Delaney. MaryAnn is human, but she knows all too well the overwhelmingly aggressive instincts of Carpathian males. And they're not exactly the kind of men she'd prefer to be bound to for life.

A dedicated counselor for battered women, MaryAnn has a fulfilling life with no room for someone like Manolito, born and bred in the Carpathian Mountains, a law unto himself. But when MaryAnn agrees to go to South America to offer guidance to a brutalized young woman, she's oblivious of the trap that awaits her in the sweltering thick of the jungle. She has been lured there by Manolito himself, who has seductive plans for the unaware, irresistibly human female.

Once there, she will be his. Once his, she will never be released. He is her lover, her predator, her lifemate. She is his dark possession....

ABOUT DARK CURSE

Born into a world of ice, and slave to her evil father, Lara Calladine knew only paralyzing fear as a child—and escaping with her mysterious gifts unbroken would be the only way to survive her great Carpathian heritage as a Dragonseeker. Human, yet mage, she was of the blood of three species yet belonged to none. She walked her chosen path alone, guided by the wisdom of her aunts—to blend in and let no one know of her ancestry and powers. And never trust anyone. For beyond the frozen hell of her youth was a world of even greater mysteries and dangers.

Today Lara is the leading expert in the field of ice cave study around the world and the healing microorganisms that thrive in them. She's also in search of something else: the source of her nightmares—the cold dark corners of her childhood. Only one man has the will and the powers to help her: Nicolas De La Cruz, for whom centuries of hunting and killing have long since taken their toll. Dangerous and arrogant, he still longs to feel sensual love without the hunger for blood. Now, between Lara and Nicolas, a tenuous trust has emerged, and a passion neither has ever known before as a melody of dark promise begins.

But as each scales the treacherous land of the Carpathian in search of their past, they also harbor a secret that could save or destroy them. And as each may be desirous of a new beginning as lifemates, they are also haunted by the unknown dangers of a dark curse.

ABOUT DARK SLAYER

A rumor has persisted in the vampire world of a dark slayer—a woman—who travels with a wolf pack and who destroys any vampire who crosses her path. Mysterious, elusive and seemingly impossible to kill, she is the one hunter who strikes terror into the hearts of the undead.

She is Ivory Malinov. Her only brethren, the wolves. Long ago betrayed by her people, abandoned by her family, and cast out by everyone she held dear, Ivory has lived a century without companionship or love. She has sustained her sanity by the habit of the hunt and the custom of the feeding. Until the night she picks up the scent of a man, her unexpected salvation. Her lifemate. The curse of all Carpathian women.

He is Razvan. Branded a criminal, detested and feared, he is a dragonseeker borne of one of the greatest Carpathian lineages, only to be raised as its most despised—and captive—enemy. Fleeing from his lifetime of imprisonment, Razvan now seeks the dawn to end his terrible existence. Instead he has found his deliverance in the Dark Slayer.

In spirit, in flesh and blood, in love, and in war, Ivory and Razvan are made for each other. For as long as they dare to live.
